Client Certification: I request that LegalVault™ electronically store my legal healthcare documents and other healthcare information and to make such information available to my healthcare providers. I am aware that my legal healthcare documents and healthcare information are going to be made available to anyone who has access to my security access code and I will not hold LegalVault or my sponsoring law firm responsible for any unauthorized access. I certify that the information supplied to LegalVault by me on this form is correct and that the stored documents are my current legal healthcare documents and information. I agree to immediately notify LegalVault in writing or by logging on their secure website in the event I revoke or modify any of my legal healthcare documents or healthcare information or to convey my desire to terminate this service. I will indemnify and hold harmless LegalVault and my sponsoring law firm for any damages resulting from their reliance on these certifications or on any inaccurate information I supply or for any unauthorized use of this service. By providing a fax number for my physician, I am granting LegalVault and my sponsoring law firm permission to provide an enrollment notification fax to my physician, enabling such physician to obtain my legal healthcare documents and healthcare information. I understand that I am enrolling in this service for convenience of access and not relying on LegalVault or my sponsoring law firm for the exclusive storage of my documents and information.
