## LOOKING BACK ON OUR YEAR

What a year this has been! As many of you know, our office transferred to a new practice management system, allowing us to work more effectively. Transferring data to a new system can be a challenge, not to mention the learning curve, but we are so glad that we took this on. We like to think of our new system as a member of the team and we have named her "Cleopatra!"

In addition to "Cleopatra," we welcomed Lauren, our assistant attorney, and Tressia, our new legal assistant. Sadly, we saw the departure of LaTonya, but we hear she's doing well in her new position at a firm in Houston.

Perhaps the highlight of our year was our work with Special Olympics Montana, our first ever Charity Partner of the Year. Our team volunteered over 60 highly rewarding hours! We are honored to have been a part of the Special Olympics mission this year.

We can hardly wait to see what next year will bring.

## SPREADING JOY THIS HOLIDAY SEASON

This year we are reminding ourselves to seek and spread joy! Each fall we find that our office gets busier, and while we love our work it can become difficult to turn that off to enjoy the season with our loved ones. Perhaps some of you also have this difficulty. We encourage you to be deliberate in your search of joy too!

"What brings me joy is pausing to appreciate how fortunate I am to be among family and friends who have enriched my life in countless ways". - Jon

"The things that bring me the most joy during the holiday season are cheesy Hallmark movies, a Tom and Jerry from the City Bar, and enjoying homemade meals with family." - Lauren

"Grandkids, Grandkids, Grandkids! Christmas takes on a whole new meaning when grandchildren enter your world. They have such joy in their hearts!" - Chris

"I love being around my family. It's a great time to catch up, laugh, and eat enough yummy goodies to put me into a food coma." - Tressia

"The chaos of my large family in my grandmother's tiny house brings me joy, and eating black olives does too!" - Danica

"Seeing my son spend time with our extended family and his grandparents. As a military family, these visits are few and far between!" - Charlene
